MYRIAM ISAZA / MOMMY'S DAYCARE, SP 2014-DR-089 Appl. under Sect(s). 3-403, 8-305, and 8-914 of the Zoning Ordinance to permit a home child care facility, and to permit reduction to the minimum yard requirements based on error in building location to permit accessory structure to remain 0.7 ft. from rear lot line and 8.4 ft. from a side lot line. Located at 1834 Gilson St., Falls Church, 22043, on approx. 11,200 sq. ft. of land zoned R-4. Dranesville District. Tax Map 40-1 ((16)) 121. Mr. Byers moved that the Board of Zoning Appeals adopt the following resolution:

WHEREAS, the captioned application has been properly filed in accordance with the requirements of all applicable State and County Codes and with the by-laws of the Fairfax County Board of Zoning Appeals; and

WHEREAS, following proper notice to the public, a public hearing was held by the Board on June 10, 2015; and

WHEREAS, the Board has made the following findings of fact:

1. The applicant is the owner of the property.
2. The present zoning is R-4.
3. The lot area is 11,200 square feet.
4. The applicant has read, understands, and concurs with the proposed development conditions.

THAT the applicant has presented testimony indicating compliance with Sect. 8-006, General Standards for Special Permit Uses, and the additional standards for this use as contained in the Zoning Ordinance. Based on the standards for building in error, the Board has determined:

- A. The error exceeds ten (10) percent of the measurement involved, or
- B. The error is up to ten (10) percent of the measurement involved and such reduction or modification is requested in conjunction with the approval of a special permit for another use or application for a variance on the property, or is in conjunction with another special permit for an error in building location on the property that exceeds ten (10) percent of the measurement involved, and
- C. The noncompliance was done in good faith, or through no fault of the property owner, or was the result of an error in the relocation of the building subsequent to the issuance of a Building Permit, if such was required, and
- D. Such reduction or modification will not impair the purpose and intent of this Ordinance, and
- E. It will not be detrimental to the use and enjoyment of other property in the immediate vicinity, and

- F. It will not create an unsafe condition with respect to both other property and public streets, and
- G. To force compliance with the minimum yard requirements or location regulations would cause unreasonable hardship upon the owner.
- H. The reduction or modification will not result in an increase in density or floor area ratio from that permitted by the applicable zoning district regulations.

AND, WHEREAS, the Board of Zoning Appeals has reached the following conclusions of law:

- 1. That the granting of this special permit will not impair the intent and purpose of the Zoning Ordinance, nor will it be detrimental to the use and enjoyment of other property in the immediate vicinity.
- 2. That the granting of this special permit will not create an unsafe condition with respect to both other properties and public streets and that to force compliance with setback requirements would cause unreasonable hardship upon the owner.

NOW, THEREFORE, BE IT RESOLVED that the subject application is **APPROVED**, with the following development conditions:
